

WORRY DOLL

R120.00 each

Our “huggable” Worry Dolls were designed to comfort the worries of the everyday child.

“Whenever you are feeling sad and things aren’t going right or when your worries start creeping in...just squeeze me tight! Tell me all your worries and I’ll keep them safe with me. All you have to do is give me a great big hug and I’ll keep you calm and snug.”

You can purchase a doll for only **R120** or **DONATE** the money towards a doll for a child in need.

NOTE: All of our dolls are uniquely handmade and limited editions because no doll looks the same!

POCKET HEART

R30.00 each

Sometimes all we need is a stress ball!

These Pocket Hearts are small enough to fit into your pocket, jacket, handbag or anywhere you wish to keep it. Its gentle texture allows for sensory stimulation and makes a great item to squeeze during anxious or stressful moments.

These are great for all ages, but especially for Teens and Adults.

COPING TOOLBOX

R120.00 each

Our TOOLBOXES were designed to help a child self-regulate through fidgeting.

In this box you'll find coping tools which can be used to give to a child in order to help them calm down by using one of the tools.
